How...Do I REGISTER FOR FREE AIRPORT TRANSPORTATION?

Transportation to and from Phoenix Sky Harbor International Airport is included in the negotiated room rate with the hotel.

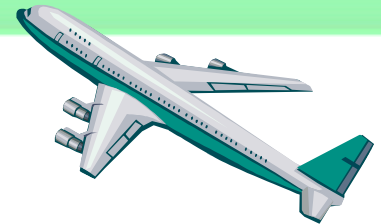

Disclaimer: SWCP nor RSIG are responsible for any transfers not communicated to SWCP. If for some reason you change your flight itinerary, please call transportation at 480-991-5211. Click the link below to enter your arrival/departure information to take advantage of the airport transportation opportunity

<http://register.swcp.net/transportationform.html>

To explain how the process will work:

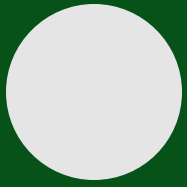

Upon arrival, all passengers will be met at the entrance to baggage claim with specific RSIG Seminar signage. From there, you will be directed to collect your luggage and then escorted outside to the vehicle. The wait time for the shuttle can be up to 30 minutes, but average wait time is 15 minutes - depending on the manifest. The vehicles that will be used vary from a sedan to a van to a minicoach - all dependant on the manifest and when people arrive.

For departures, passengers are grouped together according to flight time and a general rule of thumb is that departures from the resort are 2 hours prior to flight departure time. SWCP will be handing out departure notices to the group with the exact departure time listed so that you are aware.

HOW...DO I GET DISCOUNTED RENTAL CAR RATES?

Rental Car Note: Hertz has a rental desk on site at the hotel. So, why not take the free transportation from the airport to the hotel and rent a car, if you need one, once you get there and settled in or if you're planning extra time after the seminar? No point in paying extra to rent a car to let it set in the parking lot! **If you do decide to venture out, visit the Hertz desk in the hotel lobby and use the code CV022Q4671 for discounted rental rates or call ahead if need be 800-654-2240.**
